

State Departments  
MHSAs Progress Report\*  
Fiscal Year 10-11  
Reporting Period: July 1- December 31 2010

Department Social Services

**1. Identify 2-3 highlights for this reporting period**

- Disseminated and updated a summary to CDSS staff sections from the Prevention and Early Intervention Plans identifying services to children and youth.
- There are 46 counties with approved Wraparound plans, and there are five additional counties actively planning (Amador, Imperial, Sierra, and Tuolumne & Yuba).
- Developed a quarterly technical assistance process to assist with counties resolving issues across the state.

**2. Please list all the goals/objectives/activities/deliverables for this reporting period as listed in the MOU work plan and provide an update.**

**Goal 1** – Provide counties with technical assistance to establish and administer a California Wraparound program, as defined in Welfare & Institutions Code (W&IC), Section 18250, or provide “substantial evidence” why it is not feasible.

Major activities/deliverables:	Due Date	Status on achieving objective, activities and deliverables	Identify outstanding policy & program issues	Identify activities being coordinated with the local mental health system and other partners	Upcoming events/opportunities/resources anticipated during the next six months
1. Conduct Project Management meetings to discuss program topics, issues and collaborative projects	Every 6 weeks	Ongoing meetings: 8/2/2010 9/13/2010 10/28/2010 12/6/2010	Planning Wraparound Institute Soliciting content for Newsletter Training for new counties.	Published 2nd <sup>st</sup> edition of Newsletter <i>Connections</i> w/UC Davis RCFFP  Children' System of Care meetings: July 2010 & September 2010	Planning Wraparound Institute June of 2012.

3. Schedule site visits to support administration of California Wraparound	Ongoing	Coordinated on-site TA visits with Monterey and San Francisco County. Identified 12 additional counties for upcoming site visits in the Spring and Summer of 2011, which represent both small and large counties.	Provide TA on any items/issues discussed at site visit. Observe model fidelity of California Wraparound.	Partner with Counties, DMH and UCD-RCFFP to evaluate site visits and fidelity of counties' Wraparound model and service delivery.	At the writing of this report, tentative site visits are being scheduled with all 12 counties. March 2011 Tulare, Fresno, San Bernardino  April 2011 Santa Barbara, Kern, Shasta, Butte  May 2011 Del Norte, Riverside, Napa  June 2011 Ventura, Yolo
4. Revise MOU	March 1, 2011	CDSS's initial Memorandum of Understanding (MOU) expired on June 30, 2010. Language for the new agreement and work plan was updated, reviewed, and accepted by both departments.			As of February 2, 2011, the CDSS Contracts Bureau has completed the MOU and it is now in the formal review process for approval and signature. Following completion of this process, the

					CDSS Contracts Bureau will forward the package to DMH to be signed and executed.
<b>Goal 2</b> – Establish and maintain data and analysis related to Federal and State performance outcomes in child welfare, children’s mental health, and other programs and services common to both departments.					
<b>Major activities/deliverables:</b>	<b>Due Date</b>	<b>Status on achieving objective, activities and deliverables</b>	<b>Identify outstanding policy &amp; program issues</b>	<b>Identify activities being coordinated with the local mental health system and other partners</b>	<b>Upcoming events/opportunities/resources anticipated during the next six months</b>
1. Continue to assist counties with identifying the impact that Wraparound has on the Safety, Permanency and Well-being of children in California	Ongoing	Data match achieved with DMH and CDSS to examine specific mental health utilization by foster children 12/2010.	Develop definitions and approach to collection of outcome data regarding children enrolled in Wraparound Services for all children	State will identify local counties that are doing similar data exchanges.	Collaboration with agency partners to identify ways to capture specific outcome indicators, while also monitoring for model fidelity.
2. Survey conducted by CDSS titled Wraparound Program Data	September 2010.	Brief results: Of the 46 counties in Wraparound 18 reported they performed regular evaluations reports, 25 counties reported they use various evaluation tools such as CAFAS, CANS WFI, TOM, YSS FSS, and other. 86% collect fiscal data for their Wraparound Program. 29 counties claimed existing			Will use results to inform future discussions about data collections and outcome reporting.

					<p>Health Screens.</p> <p>Attending Give a Voice to the Voiceless Conference on March 15, 2011 to learn the role that medical personnel (including nurses, physicians, and consultants) play in assessment, diagnosis and treatment of child maltreatment. This will include emphasis on importance of a team approach in the care of suspected victims of abuse.</p>
3. Continue to utilize training webinars for the enhancement of evidence-tested practices and the identification of funding for reimbursement for developmental and mental health screening tools	On going	Training for Developmental Screening Updated for FY 2010-2011.		Support counties improvement efforts when making referrals for early intervention services.	To continue to provide training to further our partners experience with Assessment and Screening tools working with UC Davis RCFFP.
4. California Wraparound Outcomes Work Plan Tool Review	On-going	CDSS reviews the various tools for ideas on the development of California Outcomes. CDSS is mindful of the framework regarding safety, permanency and well-being for reporting purposes to DHM and other entities.	Identified Tools are: CWSI, CAFAS, WFI, TOM, and CANS	Wraparound counties utilize one or more of these tools to reference outcomes concerning Safety, permanency and well-being.	Collect county specific reports to determine their use of a specific tool. Once information is collected, this will be reported in the next Progress Report.
